HATE TICKS? Danger is lurking out there! Not only are ticks creepy, but the bite of a tick can transmit life-altering diseases. Don't wait for ticks to bite! Arm yourself with knowledge and stand up to them! Studies have proven that people who are taught the proper tools and techniques drastically reduce their risks of contracting any tick-borne disease.

With the right knowledge and tools, all tick-borne diseases are preventable.

Come join our workshop! Together, we will review basic tick biology, scientifically proven protection methods, and bust any commonly held myths.

Monday, June 11, 2018 ~ 10:00AM

Blake Dinius, an Entomologist Educator for Plymouth County will be leading us in this important and informative workshop. Please call 508-894-1262 and sign up by Thursday, June 7th.

MANDALA ART WITH BILL BECKER

Monday, June 4th, 18th, July 9th, 23rd

10:30 - 11:30

People who color mandalas often experience a deep sense of calm and well-being. It's a simple tool that doesn't require any expertise, but it can be remarkably soothing and nourishing. Mandalas not only focus your attention, but allow you to express your creative side, which many of us neglect in our daily lives.

Class limited to 12. Please register by the Wednesday prior to class
