

WEST BRIDGEWATER BUSINESS SPOTLIGHT

As you may be aware, the Town has accounts both on Facebook and Twitter. We would like to allow our local business owners the opportunity to highlight their businesses on these pages. If interested, please fill out this form and return it to mcole@wbridgewater.com.

Please list at least three week-long periods that you'd like to be highlighted. Each business will receive one week, but we will try to accommodate your requested date. You'll be notified of your date.
